

## Arc Resident Receives the Somerset County 2021 Excellence in the Arts Award

Message From The Executive Director, Lauren Frary and Mike Stefani, Board President

Gratitude is important everyday of the year, but at this time, it is more important than ever. Last year showed me how fortunate I am to work with a team that refuses to give anything less than 110%. Even during these challenging days of the pandemic, The Arc of Somerset County employees rallied beside each other for the sake of our service community. THANK YOU to our employees who selflessly put their individual priorities aside over and over again to be there for others. YOUR work continues to make a REAL DIFFERENCE!

What's more, our leadership team's ensure that we continue to provide services and supports be it in person, virtually or a combination. I'd also like to thank our communities. Our neighbors, local businesses, community partners and families—all those who play a role in sustaining our programs and services- were faced with unique and evolving challenges this year. Your drive, commitment and dedication is truly exceptional.

### From Marcia J:

*I love doing art work. I started at home with my Mom. My Mom showed me what to do. I did sponge art at school and I won a blue ribbon. Wherever I am I've enjoyed all kinds of arts and crafts including coloring, stenciling, and painting.*

*I've recently discovered how enjoyable it is to paint with acrylics on canvas. My room is filled with canvases. I started with simple paintings and later used my I-pad to explore different types of paintings and create in those styles. For example, I painted an apple tree with one giant apple. Now I see giant apples everywhere! In addition to art I enjoy listening to music (especially when I paint), dancing, occasionally watching TV programs such as the Munsters and the Flintstones, and going to day program. Time spent with my friends and staff is very important to me. My Saturday visits to see my Mom are the highlight of my week.*

Most importantly, I want to thank each and every one of the children, adolescents and adults we serve and their families. You are the reason we show up every day. You are the reason we do what we do. THANK YOU for your faith in us as we walk these uncertain paths as partners together. Although we will continue to face challenges with the pandemic, we look forward to what 2022 will bring. Most notably, the 50th anniversary of The Arc of Somerset County! We will celebrate our past and look forward to the next 50 years. Along with our milestone anniversary, we will launch a new strategic plan that will outline our path into the future. We will challenge ourselves to expand our services to meet the changing needs of our communities. In addition, we will look forward to utilizing our new facilities at Camp Jotoni to the advantage of our families and communities. # Camp Jotoni Campers Return to TWO Newly Constructed Cabins

*There were miles of smiles at the entrance of the Camp Jotoni parking lot in late June and early July as our beloved campers and their families returned to their favorite summer camp!*

*For our campers, whether it is a Friday night out or a weekend get-away, the opportunity to experience time away from the normal routine to enjoy social time with friends can be highly restorative if not transformative.*

Week 6 Camp Jotoni campers enjoy their 1st day of awesome weather at the pool!

*Construction for Cabins 3 & 4 are now underway as of November 2021!*

*Thank you for helping us on our journey to make camp an even better experience. It is because of your belief in our mission, your love for our campers and staff that we will soon be able to expand our services beyond the summer camp season. It is because of your donation- Camp Jotoni was one of the only residential camps open to meet the needs of our families and campers in 2021...*
