

The Arc Foundation of Somerset County Corporate Volunteer Program

With 28 residential programs in Somerset County, and a 15 acre Special Needs Camp, Camp Jotoni in Warren, The Arc is the top choice volunteer agency for many local businesses and civic community organizations in Somerset County.

Projects include indoor maintenance, interior and exterior painting and staining, landscaping projects, and group companion visits to those we serve which makes for long-lasting friendships.

Projects are coordinated with The Arc's Development Department on a bi-annual calendar year (Spring/Summer and Summer/Fall).

For more information about group volunteer activities organized for team building or to fulfill corporate philanthropic days of service, please contact Cameron Stoia at 908-658-3805 or at foundation@thearcofsomerset.org.
