*Empowering Parents to
advocate for their child*

2013 Providers Fair/Conference

**Saturday March 16th
9:00 am to 4:00 pm
JFK Conference Center
70 James Street
Edison NJ 08817**

This Event will highlight nonprofit organizations and local business providers serving families living with Autism and other developmental disabilities in New Jersey. We will have representatives dealing with; early intervention, recreational and therapeutic programs, extended school year programs, transition into adulthood, financial and legal services.

Don't miss this great opportunity to gather information beneficial to your child's development and future.
